APPENDIX 3Y - Correction

EQ Resources Limited (“EQR” or “the Company”) refers to the Appendix 3Ys previously announced in the respect of securities held by the Company’s director, Richard Morrow, announced on 14 August 2024 and 13 November 2023. It has come to the Company’s attention that these Appendices have formatting and typographical errors in the disclosure of Mr Morrow’s holdings.

The total number of shares held by Mr Morrow have not changed. The Appendices attached to this announcement have been updated and replace the notices previously announced on 14 August 2024 and 13 November 2023.

The Company has reviewed its notification procedures for directors trading in the Company’s shares and is confident that the arrangements currently in place are adequate and does not believe that any additional steps are required to ensure ongoing compliance with Listing Rule 3.19B.

Released on the authority of the Board by

Melanie Leydin
Company Secretary

About the Company

EQ Resources Limited is a leading tungsten mining company dedicated to sustainable mining and processing practices. The Company is listed on the Australian Securities Exchange, with a focus on expanding its world-class tungsten assets at Mt Carbine in North Queensland (Australia) and at Barruecopardo in the Salamanca Province (Spain). The Company leverages advanced minerals processing technology and unexploited resources across multiple jurisdictions, with the aim of being a globally leading supplier of the critical mineral, tungsten. While the Company also holds gold exploration licences in New South Wales (Australia), it aims to create shareholder value through the exploration and development of its current project portfolio whilst continuing to evaluate corporate and exploration opportunities within the new economy and critical minerals sector globally.

Forward-looking Statements

This announcement may contain forward-looking statements. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements. Particular risks applicable to this announcement include risks associated with planned production, including the ability of the Company to achieve its targeted production outline due to regulatory, technical or economic factors. In addition, there are risks associated with estimates of resources, and there is no guarantee that a resource will have demonstrated economic viability as necessary to be classified as a reserve. There is no guarantee that additional exploration work will result in significant increases to resource estimates. Neither the Australian Securities Exchange nor its Regulation Services Provider (as that term is defined in policies of the Australian Securities Exchange) accepts responsibility for the adequacy or accuracy of this announcement.
