However, this does not apply to a vote cast in favour of the Resolution by:

EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2024 Annual General Meeting which will be held virtually via a video-conferencing facility at 3.00pm (AEDT) on Friday, 29 November 2024.

The Notice incorporates, and should be read together, with this Statement.

A copy of the Annual Report for the financial year ended 30 June 2024 (which incorporates the Company's Financial Report, reports of the Directors (including the Remuneration Report) and the Auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all Shareholders. You may obtain a free hard copy by contacting the Company by phone at +61 3 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website www.egresources.com.au or via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

ORDINARY BUSINESS

Resolution 1: Adoption of Remuneration Report

Background

Section 250R (2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2024 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five per cent (25%) or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five per cent (25%) of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair intends to vote all undirected proxies in favour of this resolution.

Voting Exclusions

A voting exclusion statement for this resolution is set out in Note 6 above.

Resolution 2: Re-Election of Mr Richard Morrow as a Director of the Company

Background

The Constitution of the Company requires that at each annual general meeting one third of the Directors (except for the managing director), or, if their number is not three or a multiple of three, then the number nearest but not exceeding one-third, shall retire from office by rotation. The Directors to retire in every year shall be those who have been longest in office since their last election but, as between person who became Directors on the same day shall (unless they otherwise agree between themselves) be determined by lot.

Mr Morrow has more than 30 years' experience as a sharebroker in Melbourne and in London, with a particular interest in the resources space. He is a long-serving steering committee member of the Melbourne Mining Club, Australia's foremost networking organisation for the Australian resources sector.

The Company considers Mr Morrow an independent director for all purposes.

Board Recommendation

The Board (with Mr Morrow abstaining), recommends that shareholders vote in favour of the re-election of Mr Morrow.

The Chair of the meeting intends to vote undirected proxies in favour of Mr Morrow's re-election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 3: Re-Election of Mr Zhui Pei Yeo as a Director of the Company

Background

The Constitution of the Company requires that at each annual general meeting one third of the Directors (except for the managing director), or, if their number is not three or a multiple of three, then the number nearest but not exceeding one-third, shall retire from office by rotation. The Directors to retire in every year shall be those who have been longest in office since their last election but, as between person who became Directors on the same day shall (unless they otherwise agree between themselves) be determined by lot.

Mr Yeo has held executive, management and supervisory roles and has a wide range of experience from project planning to resource management to commercial negotiations. He has been working at a leading system integrator in the telecommunications industry in South-East Asia and is currently also an executive director of a steel-product manufacturer.

The Company considers Mr Yeo a non-independent director for all purposes.

Board Recommendation

The Board (with Mr Yeo abstaining), recommends that shareholders vote in favour of the re-election of Mr Yeo.

The Chair of the meeting intends to vote undirected proxies in favour of Mr Yeo's re-election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 4: Election of Mr Stephen Weir a Director of the Company

Background

A Director (excluding the Managing Director) appointed to fill a casual vacancy or as an addition to the Board must not hold office without re-election past the next Annual General Meeting (Constitution clause 17.5; Listing Rule 14.4).

Mr Weir, having been appointed to the Board on 19 January 2024, is retiring in accordance with these requirements and, being eligible, offers himself for re-election.

Mr Weir has an extensive background in mining and finance and was recently CEO of ASX listed company, Magnetite Mines Ltd. His prior experience including senior corporate advisory, project finance, and construction management roles provides valuable expertise in support of EQR's growth strategy.

The Company confirms it has conducted appropriate checks into Mr Weir's background and experience.

The Board considers that Mr Weir may not, if elected, be perceived as qualifying as an independent director as he is currently representing Oaktree Capital Management, a substantial holder in the Company. Nevertheless, the Board considers that Mr Weir's interest in question is not material and will not interfere with his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole rather than in the interests of an individual security holder or other party.

Board Recommendation

The Board (with Mr Weir abstaining) recommends that shareholders vote in favour of the election of Mr Weir as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders.

The Chair of the meeting intends to vote undirected proxies in favour of Mr Weir's election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolutions 5 – 9: Approval to Grant Options to Directors of the Company (and/or their nominee(s))

Background

Resolutions 5 to 9 seek Shareholder approval to grant Options to Mr Oliver Kleinhempel, Mr Stephen Weir, Mr Stephen Layton, Mr Zhui Pei Yeo and Mr Richard Morrow (or their nominee(s)) (the **Directors**) on the terms described below and in accordance with the Company's Employee Incentive Scheme (the **Plan**).

To facilitate the purposes of maintaining financial liquidity, minimising cash outflows and remunerating the Directors for their extensive contribution towards promoting the Company's operations, the Company is proposing to grant Options to Directors (or their nominee(s)) (being a right to acquire one fully paid ordinary shares in the Company upon conversion of options) on the terms as described below (**Options**).

The Board believes that it is appropriate to use Options to compensate Directors as this is in line with current market practices and remunerates them appropriately given the circumstances of the Company and provides an appropriate and meaningful form of remuneration that aligns with Shareholder interests. The Board believes that the achievement of the Options will be to the benefit of all Shareholders as these will motivate Directors to remain in the Company's employ to carry on the role of implementing and executing the Company's strategies and overseeing operations. In particular, the Board considers that the value attributed to the Options (as described below) and their associated terms and conditions represent reasonable remuneration for Directors as if the Company were dealing at arm's length.

Terms of Options

It is proposed that a total of 20,000,000 Options be granted to the Directors (or their nominee(s)), under the Plan, subject to Shareholder approval.

The allocation of Options to be granted to Directors are set out below:

SPECIAL BUSINESS

Resolution 10: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to the equivalent of 10% of the Company's fully paid ordinary issued capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

Resolution 10 seeks Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 10 will be to allow the Company to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without any further Shareholder approval, in addition to the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 10, the number of Equity Securities permitted to be issued under the 10%

Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If Resolution 10 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 10 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholder's present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by Shareholder's present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, only Fully Paid Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides those eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12 month period immediately preceding the date of the issue or agreement):
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant

period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer above).

(e) Nature of consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) If this Resolution 10 is approved by Shareholders, the period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid commences on the date of the Annual General Meeting at which the approval is obtained, being 29 November 2024, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 27 November 2025;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
 - (i) consideration for the acquisition(s) of new assets and investments, including the expenses

associated with such acquisition(s); and

(ii) continued expenditure on the Company's current business and/or general working capital.

(d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 22 October 2024 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

| Variable 'A' in Listing Rule 7.1A.2 | Dilution Scenario | Issue Price | | |
|---|---------------------|---|---------------------------------|--|
| | | 50% decrease in Current Share Price \$0.0240 | Current Share Price \$0.0480 | 100% increase in Current Share Price \$0.0960 |
| Current Variable A 2,237,027,966 Shares | 10% Voting Dilution | 223,702,797 Shares | | |
| | Funds raised | \$ 5,368,867 | \$ 10,737,734 | \$ 21,475,468 |
| 50% increase in current Variable A 3,355,541,949 Shares | 10% Voting Dilution | 335,554,195 Shares | | |
| | Funds raised | \$ 8,053,301 | \$ 16,106,601 | \$ 32,213,203 |
| 100% increase in current Variable A 4,474,055,932 Shares | 10% Voting Dilution | 447,405,593 Shares | | |
| | Funds raised | \$ 10,737,734 | \$ 21,475,468 | \$ 42,950,937 |

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options or Convertible Notes are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.

- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- The Current Share Price is \$0.046, being the closing price of the Shares on ASX on 22 October 2024.

(e) Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) Previous issues over the Last 12 Months – Listing Rule 7.1A.2

Information about equity securities issued under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting is set out as follows:

- (a) the total number of equity securities issued or under rule 7.1A.2 in that 12 month period is 185,880,607 fully paid ordinary shares on 23 May 2024 at an issue price of \$0.04500.

There was no participant in this issue that were investors required to be disclosed under ASX Guidance Note 21.
 - (ii) the total number of equity securities agreed to be issued or under rule 7.1A.2 in that 12 month period is set out below.

| | |
|--|--|
| Number of Equity Securities on issue at commencement of 12 month period | 1,574,806,073 fully paid ordinary shares |
| Equity Securities issued in the prior 12 month period under Listing Rule 7.1A.2 | 185,880,607 fully paid ordinary shares |

Under the Plan, Participants (as defined below) will be granted incentive awards (**Awards**) which may comprise:

- (a) shares in the Company, issued at a price determined by the Board in their sole and absolute discretion, subject to any vesting conditions (**Shares**); and/or
- (b) options, issued at a price determined by the Board in their sole and absolute discretion, each to subscribe for one Share on payment of an exercise price determined by the Board in their sole and absolute discretion, and subject to any vesting conditions (**Options**); and/or
- (c) performance rights, issued at a price determined by the Board in their sole and absolute discretion, each being a conditional right to subscribe for one Share on payment of an exercise price determined by the Board in their sole and absolute discretion, and subject to the satisfaction of any vesting conditions (**Performance Rights**).

Awards may have grant conditions. Subject to those grant conditions being satisfied, all Awards will be granted subject to the satisfaction of vesting conditions (if any) as determined by the Board in its sole and absolute discretion.

2. ELIGIBILITY

At the discretion of the Board, a person who is:

- (a) a full time or part time employee or non-executive director of the Company or an associated body corporate (being a body corporate that is a related body corporate of the body, a body corporate that has voting power in the body of not less than 20% or a body corporate in which the body has voting power of not less than 20%) (**Group Company**);
- (b) an individual who is or might reasonably be expected to be engaged to work the number of hours that are the pro rata equivalent of 40% or more of a comparable full-time position with a Group Company; or
- (c) an individual or company with whom a Group Company has entered into a contract for the provision of services under which the individual or a director or their spouse performs work for a Group Company, where the work is or might reasonably be expected to be the number of hours that are the pro rata equivalent of 40% or more of a comparable full time position with a Group Company, is permitted to participate in the Plan.

People eligible to participate in the Plan are called **Eligible Employees**. The Board may permit an Award the subject of an offer to be issued to another party nominated by an Eligible Employee (for example, the Eligible Employee's (a) immediate family member; (b) a corporate trustee of a self-managed superannuation fund (within the meaning of the Superannuation Industry (Supervision) Act 1993) where the Eligible Employee is a director of the trustee; or (c) a company whose members are no-one other than the Eligible Employee or their immediate family members) (**Nominated Party**).

A **Participant** is an Eligible Employee or Nominated Party to whom an Award has been granted.

3. PAYMENT FOR AWARDS

Awards can be issued at a price (if any) determined by the Board in their sole and absolute discretion.

4. LIMITS ON NUMBER OF AWARDS GRANTED

Under the Plan rules, where an offer is made under the Plan, the Board must, at the time of making the offer, have reasonable grounds to believe that the total number of Shares (or, in respect of Options or Performance Rights, the total number of Shares which would be issued if those Options or Performance Rights were exercised) will not exceed the maximum number permitted by the Corporations Act (including the ESS Corporations Act Provisions) and the Listing Rules during the relevant period.

5. ENTITLEMENTS OF PARTICIPANTS

(a) Notice of meeting

Unless otherwise resolved by the Board when it makes an offer, and subject to the terms of issue, a Participant is entitled to notice of a meeting of the Shareholders and may exercise (whether in person or

by proxy) any voting rights attaching to any Shares registered in the Participant's name which were the subject of the offer.

(b) Dividends

The Board may determine, at the time of an offer of Shares, whether the Participant is entitled to receive any dividends declared or paid by the Company on unvested Shares (including whether any such dividends are to be held in escrow until the Shares are fully vested). Participants who hold Options or Performance Rights are not entitled to receive any dividends declared by the Company. No adjustment will be made to the number of Performance Rights or Options granted to a Participant under the Plan if dividends or other distributions are paid on the Shares prior to their vesting or exercise.

(c) Changes in capital

Unless otherwise resolved by the Board when it makes an offer, a Participant who holds Shares has the same entitlement as any other Shareholder to participate in a bonus issue or rights offer, provided that if the Shares are unvested and/or have any restrictions on sale imposed on them, any Shares issued to a Participant under the bonus issue or rights offer will be subject to the Plan as if those shares were Shares issued under the offer made to the Participant.

Options or Performance Rights do not confer on the Participant the right to participate in new issues of Shares by the Company.

In the event of a capital reconstruction, subject to any provision in the Listing Rules, the Board may adjust any or all of the number of Shares issued pursuant to the offer to a Participant as the Board deems appropriate. If there is a reorganisation of capital, the rights of a Participant will be changed to the extent necessary to comply with the Listing Rules.

If the Company makes a pro rata issue (except a bonus issue) the exercise price of Options and Performance Rights will be reduced in accordance with the Listing Rules.

If the Company makes a bonus issue the number of underlying Shares over which the Option or Performance Right is exercisable will be increased by the number of Shares that would have been received if the relevant Option or Performance Right had been exercised before the record date for the bonus issue.

If a resolution for a voluntary winding up is proposed, the Board may give notice to Participants providing a period to exercise Options or Performance Rights, subject to the relevant vesting conditions.

6. DEALING, VESTING AND EXERCISE

(a) Dealing

Participants must not dispose of, grant (or purport to grant) any security interest in or over, or otherwise deal with (or purport to dispose or deal with) an Award unless:

- (i) it is in compliance with the terms of the Share offer and any Share vesting conditions; or
- (ii) in respect of Options and Performance Rights, the prior consent of the Board is obtained (which consent may impose such terms and conditions on such assignment, transfer, novation, encumbrance or disposal as the Board sees fit in its sole and absolute discretion) or such assignment or transfer occurs by force of law upon the death of a Participant to the Participant's legal personal representative.

While the Shares are subject to any restrictions, the Board may do such things it considers necessary and appropriate to enforce the restrictions, including but not limited to imposing a holding lock on the Shares during the relevant restriction period.

(b) Vesting

Awards only vest if the applicable vesting conditions are satisfied, waived by the Board or are deemed to have been satisfied under the Plan. The vesting conditions are determined prior to the granting of such Awards by the Company.

(c) Exercise

Vested Options and Performance Rights can only be exercised during the exercise period specified in the invitation to participate in the Plan.

The exercise price per Share in respect of an Option or Performance Right granted pursuant to the Plan will be determined by the Board. Upon exercise, one Share will be issued to the Participant for each exercised Option or converted Performance Right.

Options and Performance Rights will expire on the date that is two years after the date of issue, or such other period determined by the Board or the Plan.

7. LAPSE OF AWARDS

Subject to the Board's discretion, if a Participant resigns (other than in circumstances of redundancy, mental illness, total and permanent disability, terminal illness or death), is dismissed from office for cause or poor performance, or in another circumstance determined by the Board:

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse;
- (c) vested Options and Performance Rights that have not been exercised will lapse on the date of cessation of employment or office.

If a Participant's employment or engagement with a Group Company ceases in any other circumstances, unless the Board determines different treatment is warranted:

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse; and
- (c) vested Options and Performance Rights that have not been exercised will continue in force and remain exercisable, until the last exercise date determined by the Board or the Plan.

8. FORFEITURE OF SHARES

Unvested Shares will be forfeited on the earlier of:

- (a) the Board determining any applicable vesting condition has not been, or is not capable of being satisfied, reached or met;
- (b) the Shares being forfeited under the Plan provisions dealing with cessation of employment, change of control, breach, fraud or misconduct; or
- (c) unless the Board determines otherwise, the Participant purporting to deal with the Shares in breach of the vesting conditions of the Plan or enter into an arrangement to affect their economic exposure to unvested Shares where restricted by applicable law.

Vested Shares can also be forfeited under Rule 11 (see below). The Company must:

- (a) sell forfeited Shares in the ordinary course of trading on the ASX;
- (b) buy back and cancel the forfeited Shares; or
- (c) deal with the forfeited Shares in any other manner determined by the Board from time to time.

No consideration or compensation is payable to a Participant for, or in relation to, the forfeiture of Shares under the Plan.

8. BREACH, FRAUD OR MISCONDUCT

If the Board determines that a Participant has:

- (a) been dismissed or removed where a Group Company was entitled to do so without notice;
- (b) been indicted for an offence under the Corporations Act;
- (c) had civil judgement entered against them;
- (d) committed fraud, defalcation or gross misconduct; or
- (e) materially breaches their duties or obligations,

in connection with a Group Company, or has done an act which brings a Group Company into disrepute, the Board may determine that:

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse.

10. CHANGE OF CONTROL EVENTS

On the occurrence of a Change of Control Event (as defined in the Plan, which includes an unconditional takeover offer, a court approved scheme of arrangement, a merger resulting in the current Shareholders being entitled to 50% or less of the shares of the merged entity, a Group Company agreeing to sell a majority of its business or assets or a determination of the Board that control of the Company has or is likely to change), the Board may in its sole and absolute discretion determine how unvested Awards will be treated, including but not limited to:

- (a) determining that all or a portion of unvested Awards will vest; and/or
- (b) reducing or waiving vesting conditions.

11. CLAWBACK

If an event occurs which means vesting conditions were not or should not have been determined to have been satisfied, the Board may:

- (a) cancel the affected Options or Performance Rights for no consideration or treat the Shares as forfeited;
- (b) require the Participant pay the Company the after-tax value of the affected Shares, Options or Performance Rights within 30 business days; or

- (c) adjust fixed remuneration, incentives or participation in the Plan to take account of the after-tax value of the affected Shares, Options or Performance Rights.

12. AMENDMENTS TO TERMS OF EXERCISE OR THE PLAN

The Board may vary the terms of exercise of Options or Performance Rights and may reduce or waive vesting conditions. However, no variation to the terms of exercise of an Option or Performance Right will be made without the consent of the Participant if it would have a material prejudicial effect on them, unless introduced primarily to comply with the law, to correct manifest error or to enable regulatory compliance.

The Board may amend the terms of the Plan, provided that the rights or entitlements granted before the amendment shall not be reduced or adversely affected without the prior written approval of the affected Participant.
