#### **EXPLANATORY STATEMENT**

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

#### 1. BACKGROUND TO THE MEETING

On 7 May 2024, the Company, together with its subsidiaries, entered into a facility agreement for A\$20 million with QBF No.1 Pty Ltd as trustee of QIC Critical Mineral and Battery Technology Fund (QIC) (Facility Agreement) in order to assist the Company with the expansion of its Mt Carbine processing plant and development of the Mt Carbine underground program.

As detailed in the Company's recent ASX announcement 8 May 2024 the Facility Agreement will supply funds in two separate tranches namely, Tranche A for \$12 million which will assist in doubling processing capacity and commencing underground drill testing and Tranche B for \$8 million which will assist with continued underground drill testing and to start underground trial mining (Mt Carbine Development). The Facility Agreement is for a 3-year term with an annual interest rate of 10%. It is a condition precedent of the Facility Agreement that the Company issue 60,000,000 Options to QIC.

The Company has additionally completed a \$9,500,000 capital raise which will be used for working capital and to fund owners' costs, unlocking Tranche A of the \$20 million finance facility, assisting to double Mt Carbine plant capacity to 2 mtpa (**Placement**). Subject to shareholder approval the directors propose to collectively contribute \$230,000 to the Placement.

Subject to shareholder approval the Company intends to repay its \$1.8 million shareholder loan from Zhui Yeo by way of the issue of shares and options on the sane terms as the Placement.

The Company entered into a heads of agreement dated 11 October 2023, to issue the number of Shares that is equal in value to USD\$7,500,000, at a deemed share price of AUD\$0.090 per Share to Cronimet Asia Pte. Ltd (201217827C) in consideration for the acquisition of all of the assets held by Cronimet Australia Pty Ltd (ACN 632 257 688).

#### 2. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF SHARES AND OPTIONS

#### 2.1 General

As announced on 21 May 2024, the Company has completed a capital raising of \$9,500,000 through the issue of 205,940,008 Shares at an issue price of \$0.045 per Share together with one (1) free attaching Option for every three (3) Shares subscribed for and issued (**Capital Raising**).

On 29 May 2024, the Company issued the Shares and Options the subject of the Capital Raising (**Capital Raising Securities**) to investors who participated in the Capital Raising.

The issue of the Capital Raising did not breach Listing Rule 7.1 at the time of the issue, in particular Shares were issued under the Company's combined 25% limit

under Listing Rule 7.1 and 7.1A while free attaching Options were issued under the Company's 10% limit under Listing Rule 7.1 only.

The Company engaged the services of PAC Partners Securities Pty Ltd (ACN 623 653 912) (**PAC Partners**) an authorised representative of Pac Asset Management Pty Ltd (AFSL 001261290), to manage the issue of the Capital Raising Securities.

The Company has agreed to pay PAC Partners and other facilitators up to a capital raise fee of \$570,000 (being, a fee equal to 6.0% of the amount raised under the Capital Raising, comprising of a management fee of 2.0% and a selling fee of 4.0%).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 29 November 2023.

The issue of the Capital Raising Securities does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Capital Raising Securities.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Capital Raising Securities.

Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Capital Raising Securities.

#### 2.2 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed:

(a) the 205,940,008 Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Capital Raising Securities; and

(b) the 68,646,721 free attaching Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Capital Raising Securities.

#### If Resolution 1 is not passed:

- (a) the 205,940,008 Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Capital Raising Securities; and
- (b) the 68,646,721 free attaching Options will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Capital Raising Securities.

#### 2.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- (a) the Capital Raising Securities were issued to professional and sophisticated investors who are clients of PAC Partners. The recipients were identified through a bookbuild process, which involved PAC Partners seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (c) 205,940,008 Shares and 68,646,721 Options were issued;
- (d) the Shares issued to participants in the Capital Raising were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Options issued to participants in the Capital Raising were issued on the terms and conditions set out in Schedule 1:
- (f) the Capital Raising Securities were issued on 29 May 2024;

- (g) the issue price per Share was \$0.045 and the issue price of the Options was nil as they were issued free attaching with the Shares on a one (1) for three (3) basis. The Company has not and will not receive any other consideration for the issue of the Capital Raising Securities (other than in respect of funds received on exercise of the Options);
- (h) the purpose of the issue of the Capital Raising Securities was to raise \$9,500,000 which will be applied towards the Mount Carbine Development as well as being used as additional working capital; and
- (i) the Capital Raising Securities were not issued under an agreement.

#### 3. RESOLUTION 2 – RATIFICATION OF PRIOR ISSUE OF OPTIONS

#### 3.1 General

On 29 May 2024, the Company issued 20,000,000 Options in consideration for lead manager services provided by PAC Partners Securities Pty Ltd (**PAC Partners**) in relation to the Capital Raising (**Lead Manager Options**).

The issue of the Lead Manager Options did not breach Listing Rule 7.1 at the time of the issue.

As summarised in Section 2.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue of the Lead Manager Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Lead Manager Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Lead Manager Options.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Lead Manager Options.

#### 3.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Lead Manager Options will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number

of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Lead Manager Options.

If Resolution 2 is not passed, the Lead Manager Options will be included in calculating the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Lead Manager Options.

#### 3.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 2:

- (a) the Lead Manager Options were issued to PAC Partners;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (c) 20,000,000 Lead Manager Options were issued and the Lead Manager Options were issued on the terms and conditions set out in Schedule 1;
- (d) the Lead Manager Options were issued on 29 May 2024;
- (e) the Lead Manager Options were issued at a nil issue price, in consideration for lead manager services provided by PAC Partners. The Company has not and will not receive any other consideration for the issue of the Lead Manager Options (other than in respect of funds received on exercise of the Lead Manager Options);
- (f) the purpose of the issue of the Lead Manager Options was to satisfy the Company's obligations under the capital raising engagement letter with PAC Partners dated 11 April 2024 a summary of the terms is included in 3.3(g) below.
- (g) Upon issue of shares pursuant to the Capital Raising, the Company will pay PAC Partners the following:
  - (i) a management fee equal to 2.0% of the capital raised by PAC Partners;
  - (ii) a selling fee equal to 4.0% of the capital raised by PAC Partners subject to PAC Partners making a meaningful contribution to the Capital Raising, up to 20,000,000 options on the same terms as those options issued to investors under the Capital Raising.

#### 4. RESOLUTION 3 – APPROVAL TO ISSUE OPTIONS

#### 4.1 General

The Company has entered into an agreement to issue 60,000,000 Options to QIC in consideration for QIC providing the first tranche (\$12 million) of a \$20,000,000 loan facility in accordance with the Facility Agreement as detailed in the Company's 8 May 2024 ASX announcement (**Facility Options**).

As summarised in Section 2.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The proposed issue of the Facility Options does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

#### 4.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Facility Options. In addition, the issue of the Facility Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, and Resolution 1 and/or Resolution 9 is also not passed, the Company will not have capacity under Listing 7.1 to be able to proceed with the issue of the Facility Options. In this case, QIC is unlikely to proceed with the provision of funds (\$20,000,000) under the Facility Agreement and the Company will look to seek alternative means of funding.

Resolution 3 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Facility Options.

#### 4.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- (a) the Facility Options will be issued to QIC;
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Facility Options to be issued is 60,000,000 and the Facility Options will be issued on the terms and conditions set out in Schedule 2;

- (d) the Facility Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Facility Options will occur on 31 July 2024;
- (e) the Facility Options will be issued at a nil issue price, in consideration for QIC's provision of a \$20,000,000 loan facility in accordance with the Facility Agreement as detailed in the Company's 8 May 2024 ASX announcement. The Company has not and will not receive any other consideration for the issue of the Facility Options (other than in respect of funds received on exercise of the Facility Options);
- (f) the purpose of the issue of the Facility Options is to satisfy the Company's obligations under the Facility Agreement; and
- (g) the Facility Options are being issued to QIC under the Facility Agreement for which the key terms and conditions were detailed in the Company's 8 May 2024 ASX announcement and as set out below in Schedule 3.

## 5. RESOLUTIONS 4, 5, 6 AND 7 – ISSUE OF SHARES AND OPTIONS TO RELATED PARTY DIRECTORS

#### 5.1 General

As set out in Resolutions 4, 5, 6 and 7 above, directors Oliver Kleinhempel, Richard Morrow, Zhui Yeo and Stephen Weir (**Participating Directors**) wish to participate in the Capital Raising on the same terms as unrelated participants in the Capital Raising (**Participation**).

Accordingly, Resolutions 4 to 7 seeks Shareholder approval for the issue of:

- (a) 1,111,111 Shares and 370,370 free attaching Options to Oliver Kleinhempel (or his nominee);
- (b) 666,667 Shares and 222,222 free attaching Options to Richard Morrow (or his nominee);
- (c) 1,111,111 Shares and 370,370 free attaching Options to Zhui Yeo (or his nominee); and
- (d) 2,222,222 Shares and 740,741 free attaching Options to Stephen Weir (or his nominee)

(together the "Securities")

on the terms set out below.

#### 5.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Securities which constitutes giving a financial benefit and each Participating Director, is a related party of the Company by virtue of being a Director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Securities will be issued to the Participating Directors (or his nominee) on the same terms as Securities issued to non-related party participants in the Capital Raising and as such the giving of the financial benefit is on arm's length terms.

#### 5.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 4, 5, 6 and 7 seek Shareholder approval for the Participation under and for the purposes of Listing Rule 10.11.

#### 5.4 Technical information required by Listing Rule 14.1A

As approval pursuant to Listing Rule

7.1 is not required for the issue of the Securities in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Securities will not use up any of the Company's 15% annual placement capacity.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Securities to Oliver Kleinhempel under the Participation and no further funds will be raised in respect of the Capital Raising.

If Resolution 5 is passed the Company will be able to proceed with the issue of the Securities to Richard Morrow under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner set out in Section 2.3 above. If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Securities to Richard Morrow under the Participation and no further funds will be raised in respect of the Capital Raising.

If Resolution 6 is passed the Company will be able to proceed with the issue of the Securities to Zhui Yeo under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner set out in Section 2.3 above. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Securities in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Securities will not use up any of the Company's 15% annual placement capacity

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Securities to Zhui Yeo under the Participation and no further funds will be raised in respect of the Capital Raising.

#### 6. RESOLUTION 8 – ISSUE OF SHARES AND OPTIONS TO RELATED PARTY – ZHUI YEO

#### 6.1 General

On or around 21 May 2024 the Company entered into a deed of settlement and release with Zhui Yeo (**Settlement Deed**) in which Zhui Yeo agreed to release the Company from any and all Claims in relation to the Company's outstanding loan

amount of AUD \$1,500,000 plus accrued interest of AUD \$298,570 owed to Zhui Yeo (**Loan Settlement**) as announced to the market 2 May 2022.

Under the Settlement Deed the Company agreed, subject to shareholder approval, to issue 39,304,733 Shares at a deemed issue price of \$0.045 each and 13,101,578 free attaching Options, (**Securities**) in satisfaction of the outstanding loan and interest owed to Zhui Yeo.

Accordingly, Resolution 8 seeks Shareholder approval for the issue of the Securities Zhui Yeo (or his nominee), for the Loan Settlement on the terms set out below.

#### 6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Shares constitutes the giving of a financial benefit and Zhui Yeo is a related party of the Company by virtue of being a Director.

The Directors (other than Zhui Yeo who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Shares because the Shares will be issued to Zhui Yeo (or his nominee) on the basis that the giving of the financial benefit has been negotiated on arm's length terms.

#### 6.3 Listing Rule 10.11

A summary of Listing Rule 10.11 is set out in Section 5.3 above.

The issue of the Shares falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 8 seeks Shareholder approval for the issue of the Shares for the purposes of Listing Rule 10.11.

#### 6.4 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Shares within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules On the basis that LR 10.11 approval is being sought for the issue of the Shares, Listing Rule 7.2 (exception 14) will apply so that the Shares will not use up any of the Company's 15% annual placement capacity.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Shares in respect of the Acquisition, and the Company will be required to pay \$1,798,570 an amount in cash as consideration for the Loan Settlement.

#### 6.5 Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 8:

- (a) the Securities will be issued to Zhui Yeo (or his nominee), who falls within the category set out in Listing Rule 10.11.1, as Zhui Yeo is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Securities to be issued to Zhui Yeo (or his nominee) is 39,304,733 Shares and 13,101,578 free attaching Options;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing ordinary shares;

- (e) the Securities will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Shares will be issued on the same date:
- (f) the deemed issue price will be \$0.045 per Share being the same issue price as the Capital Raising.
- (g) the purpose of the issue of Shares to Zhui Yeo is to enable the Company to enter into the Settlement Deed and complete the Loan Settlement without the need to pay out a cash amount of \$1,798,570;
- (h) the Shares to be issued in connection with the Loan Settlement are not intended to remunerate or incentivise the Director;
- (i) a voting exclusion statement is included in Resolution 8 of the Notice; and
- (j) the Shares are being issued under the Settlement Deed. A summary of the material terms of the Settlement Deed is set out below:
  - (i) the Company agreed to issue Zhui Yeo 39,304,733 fully paid shares in the capital of the Company at a deemed issue price of \$0.045 and 13,101,578 free attaching Options in satisfaction of the outstanding loan and interest (AUD \$1,500,000 and accrued interest of AUD \$298,570) owed to Zhui Yeo; and
  - (ii) Zhui Yeo agreed to unconditionally and irrevocably release and discharge the Company from any and all Claims in connection with the amounts loaned to the Company.

#### 7. RESOLUTION 9 - RATIFICATION OF PRIOR ISSUE OF SHARES

#### 7.1 General

The Company has entered into a heads of agreement dated 11 October 2023 (**HoA**), (amended by a deed of amendment on 20 December 2023 and subsequently amended by a deed of amendment on 22 April 2024).

In accordance with the HoA, on or about 15 July 2024, the Company issued the number of Shares that is equal in value to USD\$7,500,000, at a deemed share price of AUD\$0.090 per Share (**Acquisition Shares**) to Cronimet Asia Pte. Ltd (201217827C) (**Cronimet Asia**) in consideration for the acquisition of all of the assets held by Cronimet Australia Pty Ltd (ACN 632 257 688) (**Cronimet Assets**). For the avoidance of doubt, Cronimet Asia is the sole shareholder of Cronimet Australia Pty Ltd (ACN 632 257 688) (**Cronimet Australia**). The issue did not breach listing rule 7.1.

The number of Shares issued was dependent on the AUD/USD exchange rate.. The table below provides an indication as to the likely number of shares to be issued to Cronimet Asia at different exchange rates:

	Shares	AUD/USD Exchange Rate
Number of Shares Issued at an issue price of A\$0.090	122,549,020	\$0.680
Number of Shares Issued at an issue price of A\$0.090	125,313,283	\$0.665
Number of Shares Issued at an issue price of A\$0.090	128,205,128	\$0.650

As summarised in Section 2.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue of the Acquisition Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Acquisition Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Acquisition Shares.

Resolution 9 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Acquisition Shares.

#### 7.2 Technical information required by Listing Rule 14.1A

If Resolution 9 is passed, the Acquisition Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Acquisition Shares.

If Resolution 9 is not passed, the Acquisition Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Acquisition Shares.

#### 7.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 9:

- (a) the Acquisition Shares were issued to Cronimet Asia.
- (b) The Acquisition Shares were issued as fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares;
- (c) the Acquisition Shares were issued at a nil issue price, in consideration for the acquisition of the Cronimet Assets;
- (d) the Acquisition Shares were issued on or about 15 July 2024;
- (e) the purpose of the issue of the Acquisition Shares was to satisfy the Company's obligations under the HoA;
- (f) the Acquisition Shares were not issued under, or to fund, a reverse takeover;
- (g) The Acquisition Shares were issued to Cronimet Asia under the HoA. A summary of the material terms under the HoA are set out below:
  - (i) The Company agreed to purchase 100% of the assets of Cronimet Australia;
  - (ii) As consideration for the sale and transfer of the Cronimet Assets to the Company, the Company agreed to issue the Acquisition Shares to Cronimet Asia as sole shareholder of Cronimet Australia:

- (iii) The conditions precedent to completion were:
  - (A) the parties entering into an asset sale agreement on terms consistent with the HoA and acceptable to the parties acting reasonably;
  - (B) Cronimet Australia and Cronimet Asia working to assign working capital amounts and outstanding equipment lease amounts, owed to Cronimet Australia, over to the Cronimet Asia:
  - (C) the Company providing evidence of payment to Cronimet Asia of any and all working capital amounts due and payable on settlement; and
  - (D) the Company providing evidence of payment to Cronimet Asia of any and all equipment lease amounts due and payable on settlement.

#### 8. RESOLUTION 10 - RATIFICATION OF CONVERTIBLE NOTE ISSUE

#### 8.1 Background

On 8 November 2023 (Issue Date), the Company raised \$750,000 (Principal Amount) via the issue of 750,000 convertible notes each with a face value of US\$1 (Convertible Notes) to Tan Quan Kai Alex (Investor). Funds raised through the issue of the Convertible Notes was utilised for Company working capital.

The material terms of the Convertible Notes issued are set out below:

- (a) (Face Value): Each Convertible Note will have a face value of \$1.
- (b) (Maturity Date): 24 months from the Issue Date.
- (c) (Interest): interest is payable on the Principal Amount at 9% per annum.
- (d) (Conversion Price): The Convertible Notes will be convertible into ordinary shares at \$0.10.
- (e) (Conversion): At the election of the Investor, the face value is convertible at any time from the date of issue of the Convertible Notes until the Maturity Date.
- (f) (Redemption): If a Noteholder has not elected to convert the Convertible Notes on or before the Maturity Date, the Company must repay the face value of the Convertible Notes together with any accrued interest on the Maturity Date.

Resolution 10 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Convertible Notes (**Ratification**).

#### 8.2 ASX Listing Rule 7.4

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month

period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. Additionally, The Company notes that any Shares issued through the conversion of any of the Convertible Notes will also be issued without using the Company's 15% placement capacity.

#### 8.3 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 750,000 Convertible Notes were issued and the maximum number of Shares which may be issued on the conversion of the Convertible Notes is 7,500,000;
- (b) the issue price of each Convertible Note was \$1 per Convertible Note;
- (c) the Convertible Notes were issued on the terms set out in Section 8.1;
- (d) the Convertible Notes were issued to the Investor, who is not a related party of the Company; and
- (e) the funds raised from this issue were used for the purposes set out in Section 8.1.
